## PUBLIC NOTICE

**To all interested parties:**

This letter shall serve as a formal notice of the receipt of an application for **Section 401 Water Quality Certification** by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

| <b>3. Project location:</b>    | Northeast ¼ of Section 72, Clark Military Grant 99, Charlestown USGS Quad. Map<br>5 miles northeast of the I-265 and SR 62 exchange on the south side of SR 62 just before the Clark County Fair Grounds, in Clark County   |                  |  |
| <b>4. Affected waterbody:</b>  | Unnamed Tributary (UNT) to Pleasant Run, which runs into Silver Creek   |                  |  |
| <b>5. Project Description:</b> | The applicant proposes to regrade and stabilize 675 linear feet of the stream, linear wetland and open water banks. All banks are to be regarded to a 3:1 slope, seeded, and stabilized with straw, erosion control fabric, silt fence and straw bale barriers except for the outflow channel. The outflow channel will be stabilized with rock armoring to accommodate for high flow rates. A 25 foot tree and shrub riparian buffer will be planted adjacent to all features on the site, including stream channel, linear wetland, and open water basin. |                  |  |

**Comment period:** Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

**Public Hearing:** Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

**Questions?** Additional information may be obtained from Mr. Jared Sanders, Project Manager, at 317-234-6352. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to -
